

Split King Size Chart

The following chart shows the standard dimensions of a split king mattress and its individual components.

Mattress Type	Width	Length	Total Sleeping Area
Twin XL	38 inches	80 inches	3,040 sq. inches
Split King (Combined)	76 inches	80 inches	6,080 sq. inches
Standard King	76 inches	80 inches	6,080 sq. inches

Note: The combined dimensions are identical to a traditional king mattress, but the split design provides greater flexibility and individualized comfort.
